

Student Wins Assistantship

Dr. James H. Crowdle, Chairman of the Chemistry Department recently announced that a fourth Chemistry major has been awarded a teaching assistantship. He is Edward Mercer, who has been awarded an assistantship in Chemistry at Purdue University.

Thomas J. Dougherty and Jerome E. Schmidt have likewise accepted similar positions in the Chemistry Department at Ohio State University.

Francis J. Bajer was awarded a teaching assistantship in Chemistry to the University of Rochester.

Dr. Crowdle announced that all appointments will become effective in September.
