Gain a competitive edge in today's difficult economy. The CPLP™ certification will offer training and performance professionals the opportunity to enhance credibility and prove value in an increasingly competitive marketplace.

For 30 years the Canisius College Center for Professional Development has worked with individual companies to provide training and consulting programs. Canisius College is one of the pioneer institutions to partner with ASTD to offer its CPLP™ on Campus. CPLP™ on Campus prepares you for ASTD's two-part credentialing program, and the Certified Professional in Learning and Performance (CPLP™). The CPLP™ credential can lead you on a path toward personal financial growth, provide you with a renewed passion for your career and greater recognition for your contributions in the workplace.

With only a 26 hour classroom commitment, you can prepare for a nationally-recognized certification that will prove to be a valuable asset in your current career or if you are seeking a new direction. The Canisius CPLP™ test preparation program will prepare you to sit for your exam as well as provide direction for your work product submission. In order to sit for your exam, you will need to contact ASTD directly. There is an additional fee to take the exam. Details may be found at www.cplp.astd.org.

What is the CPLP™ certification?

The CPLP™ program offers workplace learning and performance professionals an opportunity to enhance credibility and prove value in an increasingly competitive marketplace. It is broad-based and addresses nine areas of expertise as defined by the ASTD Competency Model.

- Designing Learning
- Improving Human Performance
- Delivering Training
- Measuring and Evaluating
- Facilitating Organizational Change
- Managing the Learning Function
- Coaching
- Managing Organizational Knowledge
- Career Planning and Talent Management

What does the CPLP™ on Campus include?

The CPLP™ on Campus program provides a road map toward your certification. The Body of Knowledge sessions will include eight, two and a half hour workshops. After completing the body of knowledge, individuals arrange with ASTD to sit for the first part of the exam. In addition to preparing for the Body of Knowledge exam, individuals participate in two, three hour workshops to prepare them to submit their work product. The program includes comprehensive materials.

Who can apply for the CPLP™?

Professionals in the learning and performance field who have a minimum of three years work-related experience may apply.

Where will the classes be held?

Workshops will be taught at the Canisius Amherst Conference Center, 300 Corporate Parkway in Amherst. For driving directions, visit our Web site at www.canisius.edu/cpd.

This course has been pre-approved for 26 hours of PHR/SPHR Recertification Credit.

* The use of this seal is not an endorsement by HRCI of the quality of the program. It means that this program has met HRCI's criteria to be pre-approved for recertification credit.

In these challenging times, it is more important than ever to hone one's professional skills to benefit your organization and demonstrate your mastery of skills required for today's learning professional. I encourage you to take advantage of this new opportunity to obtain your certification as a professional in learning and performance.
