History majors:

Please check here to see which department member has been assigned as your advisor. If you are not on the list, or if you have some question about your assignment, please contact Dr. Gibert.

Please know that you are always welcome to meet with any member of the department, and that we all have a full list of PIN numbers.

Special notes:

Dr. Rosenbloom's advisees--because Dr. Rosenbloom is on sabbatical this year, you will need to meet with someone else. In the final column, you will find your "temporary" assignment for 2007-8.

Dr. Mercantini's advisees--because Dr. Mercantini is no longer here, you have been reassigned. Please let Dr. Gibert know if you have any questions.
