| Undergraduate Transfer Admission

Application Instructions

Transfer Applicants

Students who have attended other colleges or universities may submit this application for admission or apply on-line using the transfer application at www.canisius.edu/applyonline. Official transcripts should be submitted for all college work in addition to the enclosed transfer recommendation form from your most recent school. Students who have completed fewer than 24 credit hours at the time they apply for admission must also submit an official high school transcript.

For more information about transfer admission or Canisius College, visit the transfer students section of the admissions Web site at www.canisius.edu/admissions.

Transfer Scholarships

Students are automatically considered for a transfer scholarship when they are evaluated for admission. Scholarships are awarded based on cumulative academic performance for all coursework completed at the university level. Award values range from \$2,000 to \$8,000 per year and are renewable for up to six undergraduate semesters as long as the student maintains a 2.0 or better cumulative GPA.

Students may also be considered for either one (but not both) of the following scholarships. To be considered, students must submit proof of induction at the time of application.

Phi Theta Kappa inductees:	\$2,000
Alpha Beta Gamma inductees:	\$2,000

Transfer Student Financial Aid

All transfer students interested in being considered for need-based financial assistance must file the Free Application for Federal Student Aid (FAFSA). Canisius recommends that students file the FAFSA on-line at fafsa.ed.gov. A paper form may be obtained by contacting the Office of Student Financial Aid locally at: 716-888-2300 or toll-free at: 1-800-541-6348.

Transfer students are eligible to receive aid during the fall and spring semesters. This includes Canisius College scholarships and grants, Federal Pell Grants, New York State Tuition Assistance Program (TAP), Federal Stafford Student Loans and Federal Work-Study.
