Notes: Data include only students active on the census date, on the Monday of the fourth week of classes. Primary school is the school associated with the first major. Class level is based on total credit hours earned (0-29=freshman; 30-59=sophomore; 60-89=junior; 90+=senior). Class level statistics include both matriculated and non-matriculated undergraduates. Percentages may not sum to 100% due to rounding.
